## **I AM THE MOTHER OF MERCY** by Ted Flynn

Over the last several years those following the messages of the Blessed Mother are aware that embedded in the Third Secret of Fatima is the apostasy of faith. One does not need to look far to observe the free fall of morals and doctrine over the last generation. It has also greatly accelerated in just the last few years. Part of the confusion and anxiety people feel is the loss of a stable structure that has carried them forward in previous history. There are severe cracks in the foundation with doctrine that has never been questioned for two thousand years is now in question from leading clergy and hierarchy. In addition, the public disagreement among hierarchy is a central message of Akita, Japan. It is the Woman Clothed with the Sun of Revelation 12, speaking to the Marian Movement of Priests that provided the solutions for the ills of the world.

**Be Joyous** - #83, October 18, 1975

“...My adversary will one day think that he is celebrating a complete victory: over the world, over the Church, over souls.

**It will be only then that I will intervene –terrible and victorious—that his defeat may be all the greater when he is certain in his conviction that he has conquered once and for all.**

***What is in preparation is so extraordinary that it's like has never happened since the creation of the world. That is why everything has already been predicted in the Bible.***

*...First of all, it is necessary that my enemy have the impression of having conquered everything, of having everything in his hands...*

***...Be serene: be joyful!!***

***This is not the end of my Church: what is in preparation is the beginning of its **total and marvellous renewal!!*****

There is tremendous hope in this message. The Lord never abandons His people and the Scriptures are clear that the gates of Hell will never sink the Church. No matter how small the remnant, the Lord is faithful to those faithful to Him. That is the story of the Bible, whether it be about the 1% who fought with Gideon after being winnowed, just twelve apostles changing the world, or Saints Francis, Dominic and Ignatius as men starting world-wide movements in the dark ages of the Church on a vision and a prayer. God plus one is a majority and we are called to be joyous at all times spreading the Gospel. The Gospel means the Good News. The Lord knows our situation, and He had difficult times when He walked the earth with people not believing His message either. Jesus said, ***“If the world hates you, know that it hated Me before it hated you.”*** (John 15:18)
